My village is Korkogai. The village where he was born and raised is always hot. From the moment you open the door to the world is a baby, you live in your own home with your loved ones. We live in the village with our family. My village is beautiful and picturesque. Our village is located along the mysterious river. Zhaygn, as there is life where there is water. The soil is suitable for planting crops, every grain that falls on the ground will yield a good harvest. We irrigate fields and trees with river water. After every spring rain, grass grows on the hills and there is plenty of cow's milk. Our villagers are engaged in agriculture and animal husbandry. In the winter greenhouses are built in the courtyards, and vegetable seedlings are prepared there and planted in a large field in early spring. Water it in the time clean it from weeds, give medicine and vitamins to get a lot of produce. Every household has cows, horses, sheep and even chickens. If he drinks cow's milk, he eats chicken eggs horse meat

Writing.

The village is a very strong place for me. The village life is very interesting and the village is green grass, green pastures, fresh air. And the city opposite the village. Because in the city not as fresh air as in the village. I.e dirty air. But I need the city too the village also likes it. Clean village air, nature, parity and the silence is close to my soul. The city beauty, high-rise buildings, different. The village is still in the city. I don't like think it is enough. Every thing to him. I think he grees. I really like the village. Besides all this, you feel the cold breeze at night and a warm but pleasant breeze in the day. The atmosphere of the village is different. I like my village very much

Shopping is an integral part of human's everyday life. Some people consider that online shopping more comfortable way for buying goods for them, while others prefer opinion, online shopping has many advantages and easily can replace traditional one. Firstly, people who buy products of clothes and other thing online have a big choice. Hence, such customers have a bigger probability to buy what they like than people, who prefer to go to the shops. Secondly, this way of shopping is very convenient as a person does not even need to leave his or her house. It is enough only to order something on the site by phone and wait. However, there is an opposing opinion. In conclusion, I would like to say that online shopping is more convenient way of buying goods and this type of shopping surpasses traditional one.

sure that other pupils will help me." There is very little money for teaching in that school. There is no money to buy food for the children.

The principal of the school has been there for many years. A lot of his happy optimism has gone. "No, I'm not optimistic about the future. Look around you," he says and points out of the window at the high wall round the school. "It's not a very bright sight: buildings have holes instead of the windows, shops are closed, and groups of people are sitting on the steps of the houses. They have nowhere to go and nothing to do."

"We need money," he says, "money is the only way to help this school and these people, and, of course, jobs for the people."
